OBJECTIVE

Multidisciplinary Web Designer and Front End Developer seeking a rewarding position as an Interactive Developer to showcase my diverse skill set and enthusiasm for web while focusing on building creative, functional and industry-current websites and web applications.

EXPERIENCE

Banyan Communications

Senior Interactive Developer, October 2014 – March 2016

Created 508 compliant websites and training applications for the CDC. Projects included a concussion awareness training, resource library, teen dating violence training and violence prevention websites.

Toky

Web Developer, February 2014 – September 2014

Created front end code and Wordpress integrations for clients including HOK, Bellefontaine Cemetery, Dau Neu Furniture, Harness Dickey, and Falling Fences.

Simpleflame

Senior Interactive Developer, August 2011 – January 2014

- Worked on all aspects of interactive projects – from design, coding to Adobe Business Catalyst integrations.
- Used knowledge to teach designers and developers how to use Adobe Business Catalyst through tutorial-style videos on Kiyuco.com and TribeVita.com
- Played a crucial role in the concept and creation of bleeding edge web applications.

Paradowski Creative

Interactive Designer and Developer, May 2005 – July 2011

Designed, developed and content managed websites for multiple corporate and non-profit clients including Washington University, Monsanto, AB Inbev, Life Uniform, EVSRA, AG Industries, Bi-State Roofing, Nissan Circus Flora and The Mutual Fund Directors Forum.

EDUCATION

Maryville University

Bachelor of Fine Arts, Graphic Design

May 2005, Summa Cum Laude
